Dear Student, Parent/Carer

Exam Arrangements 2018

As has been the custom in the last few years there will be no formal 'Leaving day' for Y11 students. In order to support preparation for the exams normal lessons for most students will continue up to Friday 25th May.

From Monday 4th June

- A series of revision sessions will be timetabled for those subjects where there are still examinations. Students are expected to attend these sessions in order to access comprehensive revision and support from their teachers.
- Students will be able to use the College facilities and access the 6th form resources in school such as the Sixth Form Diner, computer facilities in room 138 and study rooms at all times during the school day.

To help prepare and plan for this it is helpful that each student completes a personal exam and revision timetable beforehand, (if you need help with this please speak to your Tutor).

Please be aware that when on site for revision sessions, private study or sitting examinations students must wear full school uniform.

We would like to remind you that although the College provides a locked room for storage during the exam period this is not a secure room; **no valuables should be left in this room.** We recognise that this can be a stressful time for all students involved in examinations and we will do all we can to support you. Personal organisation and careful revision are vital.

The best of luck over the next few months, we look forward to seeing you over the summer when you receive your results and in September when you start your Post-16 courses.

Yours sincerely

Mrs J Reader
Assistant Headteacher
